A BLOGGER'S CHEAT SHEET

# 30 REELS FORMATS

The ones that go viral. Pick one, drop in your topic - and you instantly have something to film. No more "I don't know what to post".

@MARCUSORPHIE · content and AI

## HOW TO USE IT

# 3 STEPS - AND THE VIDEO IS **READY**

- ◆ **Pick a format** from the list that fits your topic.
- ◆ **Drop in your topic** - the example next to it shows how.
- ◆ **Film it and post.** Don't start from scratch - use a ready frame.

### TIP

Save this cheat sheet and keep it handy. Once a week pick 3-4 formats - and you always have content for the week ahead.
